

**Farmer's Market Manager**

**Farmer's Market Summer Season 2017**

- Farmer's Market manager ("manager") will get market-wide approval permit from the Carlisle Board of Health
- Manager will oversee self-certification by vendors and will approve each vendor's self-certification form.
- Manager will maintain an up-to-date file or binder of approved vendor self-certification forms (signed by vendor and approved by manager).
- A copy of the approved vendor self-certification form will be onsite with each vendor and available for BOH review, upon request.
- The original approved vendor form file will be onsite with the manager and available for BOH review, upon request.
- The manager is responsible for vendor and market-wide compliance with health regulations.
- The manager will maintain a checklist or other clear record of vendors present by market date.
